

# BECOME A RESEARCHER AND DO COMMUNITY RESEARCH

HOW DO SOCIAL CONNECTIONS HELP YOUR  
COMMUNITY THRIVE?

Join our research team to help support efforts to reduce inequities experienced by Black and other ethnically minoritised groups.

INFORMATION

**DO YOU WANT TO UNDERSTAND AND STRENGTHEN  
CONNECTIONS AND WELLBEING IN YOUR LOCAL COMMUNITY?**

Through this research, you can work with local organisations and support wider efforts to:

- Increase feelings of community safety
- Prevent violence against women and girls
- Increase access to skills/employment
- Reduce food insecurity

**APPLY TO JOIN OUR RESEARCH TEAM IF:**

- You are aged 16 and over
- You live in Southwark or Lambeth
- You identify as being Black or a member of another ethnically minoritised group

**IF YOU DECIDE TO TAKE PART, YOU WILL:**

- Receive bespoke research training
- Become a valued member of the research team, contributing to tasks such as developing research questions, collecting data, analysing data, and contributing to research outputs like articles and presentations
- Build your own connections with other researchers and community organisations
- Start to make a difference in your community
- Be reimbursed £25 per hour of your time, for a maximum of five hours per week
